PURPOSE AND SUMMARY

The purpose of H.R. 4555 is to authorize the participation in overseas interagency counterterrorism task forces of personnel of the Department of Homeland Security (DHS). This bill grants additional authorities to the Secretary of Homeland Security to coordinate with other Federal departments and agencies overseas by assigning DHS personnel to participate in overseas interagency counterterrorism task forces in order to facilitate counterterrorism information sharing and combat the threat of terrorism to the United States.

BACKGROUND AND NEED FOR LEGISLATION

As terrorists and foreign fighters in Iraq and Syria seek to return home or travel to other regions in the wake of the defeat of ISIS on the battlefield, cooperation among U.S. military, national security, and law enforcement agencies is vital. As fighters move from the Middle East to the West, or to other regions, information collection and tracking becomes extremely difficult, especially for ensuring that relevant agencies have access to the same critical information. An enhanced, whole-of-government effort to share information and intelligence related to these fighters and their movements will improve security of the homeland.

In order to achieve this, H.R. 4555 authorizes the Secretary to assign DHS personnel to overseas interagency counterterrorism task forces to facilitate counterterrorism information sharing and combat the threat of terrorism stemming from overseas sources of conflict or terrorism. This will enable DHS to build on existing initiatives to co-locate DHS personnel with other Federal departments and agencies that play a crucial role in the fight against terrorism.

For example, assigning DHS personnel to Department of Defense (DOD) locations will facilitate better collection and sharing of information recovered from conflict zones, which will significantly improve our ability to interdict terrorists before they seek to enter the country.

HEARINGS

The Committee did not hold any legislative hearings on H.R. 4555 in the 115th Congress. However, this legislation was informed by a Task Force on Denying Terrorists Entry into the United States hearing on May 3, 2017, entitled “Denying Terrorists Entry to the United States: Examining Visa Security.” The Task Force received testimony from Mr. Edward Ramotowski, Deputy Assistant Secretary, Office of Visa Services, Department of State; Mr. John Wagner, Deputy Executive Assistant Commissioner, Office of Field Operations, U.S. Customs and Border Protection, Department of Homeland Security; Mr. Michael Dougherty, Acting Assistant Secretary for Border, Immigration, and Trade, Office of Strategy, Policy, and Plans, Department of Homeland Security; Mr. Clark Settles, Assistant Director, National Security Investigations, U.S. Immigration and Customs Enforcement, Department of Homeland Security; and Ms. Rebecca Gambler, Director, Homeland Security and Justice, Government Accountability Office.
